

AISHWARYA PARAB

Magazine Editor, ASSETS Council 2020 - 21

March 27, Goa College of Engineering

As the Magazine Editor of ASSETS, my core responsibilities were to plan for the annual magazine, form a Magazine Committee (including Graphics Designer), garner articles and poems, photos, reports of events, artwork, messages from students and faculty, messages from sponsors, maintain GBM minutes, and to coordinate the release of the magazine.

Here is a testimony of all the events conducted, activities held, and tasks achieved by me and under my guidance whilst serving as the Magazine Editor, during the academic year 2020 - 21.

Impulse Magazine 2021

- Successfully published the annual departmental magazine - IMPULSE 2021, on 26th January 2021, by coordinating with the Magazine Committee.
- Introduced two new sections in the magazine - Interviews & Startup Stories.
- Edited and proofread all the typed content for all the sections, along with running a plagiarism check.
- Worked closely with the graphic designer, Mr. Adarsh Chanabhat, to monitor the designing process.

Impulse to Express

- Conducted a set of four competitions under Impulse to Express - an initiative to unwrap and bring out the creative side of the students of the E&TC department. Their entries were featured in IMPULSE 2021.
- The competitions held under this event were:
 - No Filters (Photography Competition)
 - Color your Canvas (Poster Designing Competition)
 - Unheard Tales (Microtale Competition)
 - Pen down your thoughts! (Poetry Competition)
- Conceptualized and framed the rules and judging criteria for the event along with the Asst. Editor, Ms. Rebecca Falcao.

Technical Article Writing Competition

- Conceptualized and framed the rules and judging criteria for the event along with the Asst. Editor, Ms. Rebecca Falcao.
- These entries were showcased in IMPULSE 2021.

Interviews for Impulse

We had the privilege to interact with some prominent personalities during these interviews for Impulse. Some interviews were held virtually whereas some concluded via typed responses.

We hosted the following interviewees:

- Dr. Rajendra Kerkar
- Spintly Founders - Mr. Malcolm D'Souza & Mr. Rohin Parkar
- Prof. Purni Savardekar
- Mr. Akshay Parvatkar
- Mr. Kiran Kumbar
- Ms. Rukma Bhonsule & Mr. Vineet Sukhthanker

Resonance 2021

- Co-ordinated an event, namely, *Code It To Win It*, at Resonance 2021. The team conducted two rounds: MCQ-based and Hands-on Coding to declare the winners of the event.
- Drafted letters for permission to avail department premises during Resonance.
- Content written for event invitations and posters.

Meeting Minutes

Maintained meeting minutes of the following and duly reported to the GS:

- MoM (19th June 2021)
- MoM (28th June 2021)
- First General Body Meeting (GBM) under the chair of the General Secretary of ASSETS, Mr. Ashitosh Naik (23rd September 2021)

Interface - Bridging Gaps

This initiative was taken by the ASSETS Council under the guidance of our faculty advisor, Dr. Shajahan Kutty. These were the following roles I played as a council member:

- Hosted the online session, “Role of Leadership in this Challenging and Uncertain World”, delivered by our prominent speakers - Mr. Shailesh Halarnkar, Mr. Preyas Kulkarni, and Mr. Mahesh Parab
- Content written for event invitations and posters.

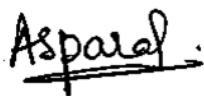

BE Farewell

ASSETS conducted an online (virtual) BE Farewell wherein a myriad of interactive activities were held. These were the following roles I played as a council member:

- Communicated with the Final Year students on behalf of the council by drafting content for messages, reminders, and invitations.
- Hosted an event, *Hey! Tell Me a Funny Story*, for the BE students wherein students volunteered to share some lovely memories and adventures throughout their journey in GEC.
- Arranged and packed mementos for the students.

Other Activities

- Penned content for all the certificates distributed by the ASSETS Council 2021.
- Sponsorship visits with the council in Ponda and Porvorim.
- Promotion of events held by the council among E&TC students.
- Resonance Event report submitted to Prof. Sonia Kuwelkar.
